## THE JAIPUR FOOT DONATION DRIVE

On Friday, 6th December 2019, a donation of Ksh 300,000 was done to the Jaipur foot project by the Visa Oshwal Community Nairobi. This went towards enabling 30 amputees getting the Jaipur foot. The interaction with the beneficiaries enabled us to understand how important and life changing the foot is to the recipients. There is a large demand for the Jaipur foot especially in rural Kenya as many people who have lost their feet through car accidents, snake bites and other ailments can become mobile and carry on leaving their lives almost as normal. We hope to engage in more donation activity like this on the next few months so please look out for details.

## THE NUTCRACKER – CHANGING LIVES THROUGH BALLET

The Nutcracker Live Orchestra Ballet performance was held at the Dinesh & Mahesh Chandaria Auditorium, Oshwal Centre on Sunday, 1<sup>st</sup> December 2019. The performance was held with live music from the **Nairobi Philharmonic Orchestra** accompanied by the **Ghetto Classics Children Choir**. It was phenomenal what Dance Centre Kenya (DCK) and its founder, Cooper Rust, have achieved - providing world class ballet training in Kenya. Ballet is often perceived as being for the elite but DCK is changing that by giving opportunity to kids from Kibera (one of the largest urban slums in Africa) and changing their lives.

Dotilism workshop by the talented Gathoni of Be Unique was a resounding success.

Nzilani - Kulula goods for Hand-lettering workshop. We learned so much!
