Honoring Dedication: A Celebration of Our Long-Serving Staff

In the spirit of gratitude and celebration, the Shree Visa Oshwal Community proudly honors our incredible staff members who have dedicated over 35 years of service to our community. Their unwavering commitment, hard work, and loyalty have been instrumental in shaping the success and growth of our community.

To mark this extraordinary milestone, a Staff Party & Recognition Ceremony was held to celebrate these exceptional individuals. Their selfless dedication serves as a reminder that our community thrives because of people who give so much of themselves.

This special event was organized to acknowledge their invaluable contributions and years of service, with heartfelt recognition by the office bearers, trustees, and managing committee members.

Library

The Visa Oshwal Library is thrilled to give a big shout-out to our incredible volunteers and participants who have brought new energy, creativity, and dedication to our space! This transformation kicked off with a vibrant mural painted by our talented artists, marking the renaming of the Prabhulal Premchand Shah Library into a more kid- and family-friendly paradise. We're sure this burst of color and personality will inspire both young readers and lifelong book lovers to dive into the world of books.

The fantastic turnout at our recent three-day book sale and Diwali Cottage Fair outreach is proof that the love for reading is still going strong. Our community's enthusiasm for books reminds us that the written word is far from dead. Readers of all ages continue to make the library a cultural, educational, and recreational hub for the wider community.

But we're not stopping there! Listening to our members' feedback, we're expanding our programming. One recent highlight was a webinar in partnership with Zazu Fit on fitness for healthy aging, where participants learned practical exercise routines to do at home. The response was so positive that there are now calls for in-person sessions.

We're excited about the future of the library and have more webinars, workshops, and 21st-century surprises in store. So sign up, read up, and be part of our evolving story!

☎ Oshwal Sports Complex - +254 790 710 024

Let's get fit together!

Donations

Gnan Pancham Stationery - Donation to Kajiado Schools

We are pleased to share that, as part of Gnan Pancham, we have donated stationery through Amara Charitable Trust to support primary schools in Kajiado West Sub-County. This initiative helps empower over 1,750 learners by enhancing their educational experience and promoting better learning opportunities.

Thank you for being part of this meaningful effort!

Giving Back to Society

At the heart of our community is the spirit of giving – through donations, charitable efforts, and dedicating our time to uplift society. True fulfillment comes from bringing hope, support, and opportunities to those who need it most.

Every contribution, whether big or small, creates a ripple effect of positive change, touching countless lives and building a stronger, more compassionate community.

Let us continue to work together, turning kindness into action and making a meaningful impact in the lives of many.

Thank you to everyone who plays a role in making a difference.

Highlights

ON GOING CENSUS - 2025

We are excited to share that the ongoing census has been a great success so far, and we sincerely appreciate the active participation of our community members.

Your involvement is crucial in ensuring that our records are up-to-date and accurate, helping us serve you better and plan for future initiatives.

If you haven't yet completed the census, we encourage you to do so as soon as possible. Your input matters, and together, we can continue building a stronger, more connected community.

Thank you once again & Let's keep up the momentum!

Final Call: Census Deadline - 31st January 2025!
